# A HARD FOUGHT SHIP

## The story of HMS *Venomous*

ROBERT J MOORE & JOHN A RODGAARD

*"I would rate this as being up in the same class as 'The Cruel Sea' for a picture of small ship life in World War 2."*

Cdr Alastair Wilson, RN (Ret) in *Naval Review*

*"A portrayal of life on a wartime destroyer with a depth and insight that is possibly unequalled by any previously published work."*

Conrad Waters in *Warship*

*"This book is outstanding for its detailed insight into the life on not just a single destroyer but, by extension, life at sea aboard any Royal Navy destroyer."*

Malcolm A.P. Butler in

*The Northern Mariner/Le marin du nord*

*"A 'Hard Fought Ship' is a vivid portrait of a fighting vessel and the men that operated her."*

*Warships IFR*

*"Highly recommended to both naval historians and the general public."*

Harold N. Boyer, *Mariner's Mirror*

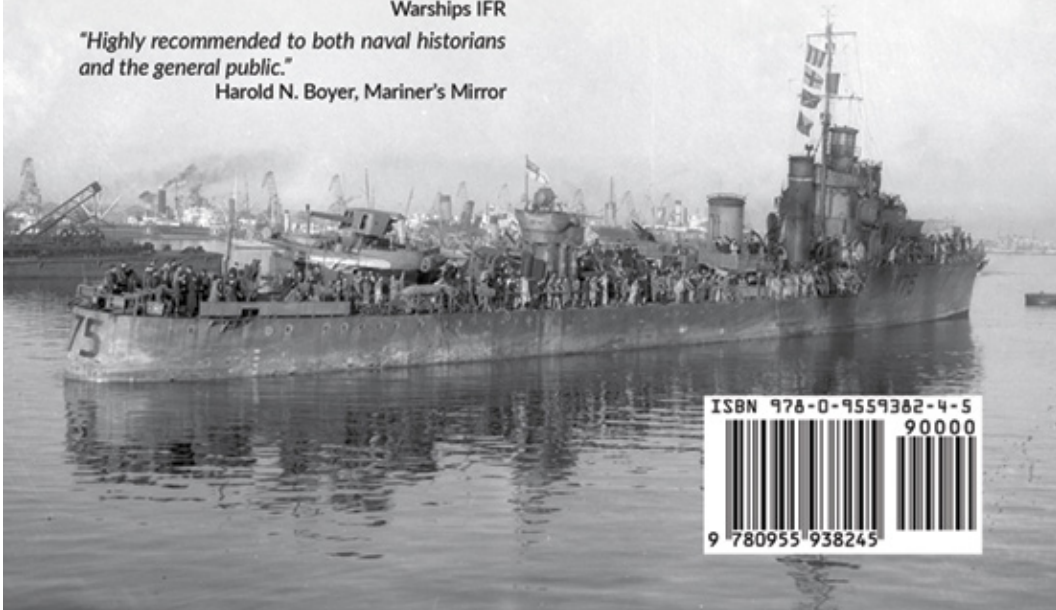

*"It is an exemplary ship biography where a detailed narrative of the destroyer's exploits are brought to life by a wealth of first-hand accounts."*

*Navy News*

*"This book is a detailed and thrilling account of the life of this typical V & W Class destroyer of which 67 were built at the end of the Great War. Above all this a tribute to all who served in this fine old ship in peace and war."*

*"The greatest interest lies in the recognition of the role of the human personalities involved, in situations showing courage, tragedy or humour. Here is a fitting ... tribute to 'A Hard Fought Ship': it is strongly recommended."*
